Well, once again the annual BWWT auction was a success. The club made approximately \$1,500. Thank you guys and gals.

## BUCKEYE WOODWORKERS AND WOODTURNERS July 16, 2011

The meeting was called or order by Pres. Tom Johnson at 9:30 AM at the Pavilion at Camp Y Noah. This is the site of the annual club auction of which all proceeds today will go to the club treasury for current expenses.

It was announced by the president that Bob Nehus had passed away during the last month. Condolences were extended to the family.

The club purchased a DVD burner so that we could record the local demonstrations at our meetings for our library. These can be checked out by the membership after they have been edited. Topics of the current year, for example, would have included tool making, Christmas ornaments, bowl turning and chain saw demonstrating. The DVD burner will be given to Mark Rinehard for use with the video cameras.

The Wooster Show for the Arts is under way at the present time. All woodturned pieces have been taken to the art center and are currently displayed. This show will run until August 27, so that the general public can view the turned items. Bob Scharl, VP, reported that there were 8 different categories with a total of 102 pieces submitted. Bill Stone won an award for Best Bowl and also runner up for

Best of Show. George Raeder won 4 prizes, Larry McCardel won 3 prizes, Ralph Kubal won 3 prizes, Mike Bauman, Bob Taylor, and Darrel Dube, each won one prize. Members were encouraged to turn more pieces so that they could be entered next year.

George Raeder stated that he wished everyone could come to his Ice Cream Social at his home in Bath. The social will be held at 2 pm, on July 24, 2011 at the home of George and his wife, located at Bath and Yellow Creek Road on Cynthia Circle. Members may view the gardens where there are over 500 varieties of Hosta plants. They will have lots of ice cream and toppings for all to enjoy. This event will be held, rain or shine.

Bill Stone indicated that we are to be aware that BWWT will host Benoit Avery from France in October. All members should be present to view his work. Bill also suggested that he would like a motion to be issued to add additional money to our demonstration fund. This fund is used to bring in outstanding members in the woodturning world for demonstrating and explaining their styles of turning. Bob Taylor made the motion to add \$1000 to the demonstrator fund for the current and coming year. The motion was seconded by Glen Graham. A vote was taken and it passed by a unanimous yea vote.

Bill Seabolt, Treasurer, explained the auction guidelines that we were to fol-

low. Basically all members willing to make a bid on an item needed to have a number card so that identification could be made to the assistant recorders. At the end of the auction, they are to report to the treasurer with their bid cards and the money necessary to cash out. Tom Nero is with us today to be the auctioneer for this event.

Respectfully submitted,  
Jerry Schaible, Sec.
