The Annual Auction of BWWT was opened with a welcome by President Bob Taylor. He indicated that there would be a requirement for all bidders to have a bidding number. A bidding card will be issued to each bidder. He stated that the bid information would be stored on a computer so that a faster cash out procedure would be utilized and the end of the day. Bob requested that individuals should wait until the auction is over to pay for their purchases since it is rather difficult to total the purchases and get the next bid correctly. Payment can be made by either cash or check.

Pres. Bob Taylor gave a summary of the demonstrations listed for almost the remainder of the year. This was done to give the members a chance to see what we have planned and to make arrangements to be at the meeting. The following demos are listed.....

August 10 Marty Chapman.....Green wood turning.....logs to bowls.

Sept. 14 Tom Olechiw from North Coast Woodturners

Oct. 12 George Raeder Multi Axis Turning

Nov 9 Hoby Horn

Pete Cirjak was the winner of the Name Tag contest.....

The Annual Auction was held after the meeting adjourned.
